	ADI	DITIONAL DOCUMENTS FOR VISIT - TOURISM
		Detailed day-to-day itinerary of the planned trip

Applicants who have left their fingerprints within the last 59 months can submit their application through a third party via power of attorney without being present at the VFS in person only if the applicant is able to provide a copy of previous Schengen visa sticker. The following documents are required for submission together with the documents stated on this checklist.

□ Previous Schengen visa sticker during the last 59 months
 □ Power of attorney in original – completed and signed power of attorney in Swedish/English given to a third party on the applicant's behalf stating the purpose required. Copy of ID must be provided from the third party together with power of attorney

Minors under 18 years old - only under special circumstances where the applicant is not required to show up in person, the application can be submitted through a third party with completed and signed power of attorney from the applicant's legal custodian in Swedish/English stating the purpose required. Copy of ID must be provided from the third party together with power of attorney. This only applies to minors who were already above 12 years old when they left their fingerprints for a Schengen visa application and was granted the visa. Applications cannot be submitted through a third party for minors between the age of 0-12 years.

VFS has informed me that it is voluntary to submit new biometrics, but I still choose to do so. I decided to submit my application even though there are lacking documents. If missing documents are not submitted within one day after submission, application might be decided on the existing documents submitted.
